

Jacob Sheep Society
Central Region Wool Workshop Day
Sunday 18th May 2025 – 10.00am

To ensure attendance please reply by Friday 9th May 2025 at the latest although the cut off will be after the first 20 have confirmed

To be held at the Lickhill Flock, hosted by Kay Carpenter at Woodgreen Farm
 Lickhill Road North, Stourport on Severn, Worcestershire, DY13 8RW

Workshop run by Barley Gould, Member Number 04728

This is a workshop aimed at the complete beginner who would like to take home a finished product. This is to be a fun day to learn the basics so you can go on to make your felted projects or say never again, knowing you have given it your best shot !

We have 2 different things to make; a wall hanging or a small bag. There may even be time for both!

It would be great if people could bring a picture of a sheep from their own flock. It would need to be A4 in black and white, for the wall hanging and a couple of handfuls of wool (500g). Preferably using some of the wool from your own flock, but please contact Kay if this is not possible as she can provide some, given notice.

We will be working in Jacob wool, but it is optional as to whether it is washed and carded prior to the day. Trimmings and finishings will be supplied. It's a wet process so please bring an apron and washing-up gloves. Due to felting needles, it is unsuitable for the under 12's.

We can cater for a maximum of 20 people.

Programme for the Day:

- 10 am Introduction and demonstration on how wool felting works.
- 10.30 am Split into 2 groups depending on the first choice of which item to make - Wet felt bag or wall hanging.
- 12.30 pm Break for lunch. Please bring a packed lunch - snacks and hot drinks will be provided.
- 1.00 pm Continue felting
- 2.30 pm Finishing up, tea/ coffee and Q&A
- 3.30 pm Estimated packing up time.

To book your places or if you would like further information, please contact Kay Carpenter – 07771 5511445 – Email central@jacobsheepsociety.co.uk

I/We wish to attend the Wool Workshop Day on Sunday 18th May 2025
