We have kindly been invited to hold a Spring open day at the Haye Park Flock in the beautiful setting of Mortimers Forest. This has been critically timed to coincide with the beautiful Bluebells that cover acres in Mortimer Forest. <https://www.facebook.com/reel/7252562634813321>

Although not new to sheep breeding, Michelle started her Jacob flock recently, in 2023. The Haye Park flock has 14 breeding ewes, which includes Saltway and Blackford prefixes and 12 homebred shearing ewes. She and her family are keen to be involved with the show circuit and so far have successfully exhibited at Tenbury and Minsterley Shows with plans to do more this year.

Programme for the Day:

- 10.30 am - Arrival at Haye Park House - Tea/Coffee
- 10.45 am - Introduction to the Haye Park flock, followed by farm walk
- 11.45 am - Vet talk, including an open discussion.
- 12.30 pm - Break for lunch. Hog Roast
- 1.30 pm - Trimming demonstration on how to prepare sheep for shows and for sales given by Richard Chapman
- 2.30 pm - Walk around the Bluebell fields in the forest (optional)
