

Jacob Sheep Society Wales

Invites you to the Wales Region Open Day and Judges' seminar

Date: Saturday 6th June 2026 – **Arrival:** 10.30

RSVP By: 30th May

Location: Nr Welshpool, Powys

Address: Maes Eglwys, Pantyfridd, Berriew, Welshpool, Powys, SY21 8BH

What3Words: florists:cling:brain

Hosts: Jackie and Gwyn Jones' Milldale (302) and Werndale (5558) flocks.

In 1971 Jackie's parents bought her 3 jacob ewes instead of a horse!

All the flock ewes (except 3 breeding ewes purchased to begin Gwyn's 2 horn flock in 2022) can be traced back to these 3 foundation ewes; at least 20 generations.

Jackie joined the JSS in 1972. She has concentrated on 4 horned lines. The flock of 50 ewes has to be run on a commercial basis with a strict animal health programme in place due to Jackie's background in animal health (qualified RSQP).

Quality breeding stock are selected for JSS shows and sales, keeping breed standards firmly in mind. Any excess lambs are reared to hoggets and sold through the local mart.

Jackie is keen to keep old bloodlines alive, notably Loynton, Feckenham and Arkleside sires have been part of the Milldale lineage.

Jackie is a JSS judge, she has also been asked to judge interbreed competitions.
