GENERAL INFORMATION & SALE NOTES

METHOD OF SALE:

All sheep will be sold in guineas and in catalogue order unless any alteration is authorized and announced by the Auctioneers.

PEDIGREE CERTIFICATES

Please note that entries in the catalogue are made on the understanding that all exhibitors have submitted their Pedigree Certificates, prior to sale. Any sheep presented for inspection without its certificate will not be allowed to be offered for sale in its class.

TAY-SACHS

The Jacob Sheep Society runs a scheme whereby sheep are voluntarily tested for Tay-Sachs Marker gene by LGC Laboratories. Animals which have been DNA tested as Tay Sachs clear, have (TSC) added to their registration numbers. Animals with two (TSC) parents have the annotation (~) added to their registration numbers, indicating that they are 'bred Tay Sachs Clear.'

Any sheep that is tested for Tay-Sachs must have its status declared at Official Shows and Sales.

INSPECTION

All registered sheep entered and forward at any show and sale must be inspected to ensure their ear tag numbers tally with the catalogue and that they comply with the Society's breed standard. Rejected sheep will not be sold at any time at the Official Show & Sales. Please note that **Substituted** sheep will now have **WHITE TAPE** on their horns and **Rejected** sheep will have **RED TAPE**. Those sheep that pass the inspection but need an announcement from the auctioneer at the time of sale, eg an older sheep that is slightly over in the mouth, will have **BLUE TAPE** on their horn. Should the vendor refuse permission for this announcement the sheep will fail its inspection. The inspector's decision will be final.

The Jacob Sheep Society, its officers, trustees, and servants, shall not be held responsible for any accident, damage or loss however caused. Anyone attending a sale or other event held by or on behalf of the Jacob Sheep Society shall indemnify the Society from and against all actions, suits, expenses and claims on account of or in respect of any such damage or injury which may be caused.

6. Title to each asset sold will only pass on payment in full by the Purchaser. Purchaser's attention is drawn to the Retention of Title clause 20.7 on the Conditions of Sale recommended for use in livestock auction markets by the Livestock Auctioneers Association as displayed in the sale office.
7. The Auctioneers reserve the right of deviating from the catalogue either by amalgamation or dividing the lots, as circumstances may require, and also by deviating from the order of sale.
8. The lots are to be under the immediate care of the Purchasers who must take the same with all faults, imperfections and errors of description (if any) and remove the same at their own expense and risk, and no purchaser shall be allowed to remove lots from the premises until the whole of the purchase money is paid.

12. If any lots are described at the time of sale as in 'working order' such lots shall have no defect which renders them incapable of the reasonable work for which they are intended and they must be capable of performing such work.
13. The Purchaser is to make good any damage done to the premises by the removal or otherwise of any lot or lots.
14. The Purchaser shall not be entitled to any right of "Set Off" against the Vendor or the Auctioneer.
15. In the case of lots upon which this is a reserve, the Auctioneers shall have the right to bid on behalf of the seller.

17. The Auctioneers may rescind any sale within 3 hours of the final lot being sold if the lot has been sold under reserve. In the event of such rescission the purchase price or any part already paid by the Buyer shall be repaid but the parties and the Auctioneers shall be under no further liability to each other.
