

Eastern Region Flock Competition

November 6th – 8th 2026

Entries close - 23rd October 2026

Matthew Kehoe and Joseph Hughes will visit your flock and, although there is a competition for the classes below, the judges will be very happy to give advice and comment on your sheep and discuss any concerns you may have with the management of your flock or its future development. This is especially useful for newer members.

Sheep do not require any special preparation for this competition, but entries for individual classes will need to be penned so the judges can handle them. If possible, ewes should be held in a reasonably confined enclosure where the judges can see them up close and be able to move naturally. Please note that the current flock assessment guidelines no longer require the judges to handle sheep in the main flock. Remember also that your routine management of the flock will be assessed when judging as well as the uniformity and quality of the sheep.

Our aim is to make each visit friendly, informal and informative. If you have never entered before and are unsure whether to do so this time, please contact me or another member of the Regional Committee. We will be happy to answer any questions you may have

A flock assessment will be sent to all entrants and it is hoped a get together can be arranged during the winter months to announce the winners.

The cost of entry is £30 payable to the Jacob Sheep Society to cover travelling expenses

CLASSES: please tick any you would like to enter; further entries can be accepted on the day
